**ADOPT-A-TIE PROGRAM**

The American Heritage Railroad is undertaking a capital campaign to purchase and install the first phase of the Railroad on the Museum grounds of the American Farm Heritage Museum. A major key to this project is the Adopt - A - Tie Program, where our goal is to raise the money for the 3,500+/- ties, 11,000 additional spikes, installation of 2 road crossings and 1,300 tons of rock needed to lay the roadbed for the Railroad. The ties to be used will be a new high-strength plastic ties that have a life span of over 100 years. For \$75 tax deductible donation, your name or a designated name of your choosing in honor or in memory of someone will be engraved in a tie used in the right-of-way of the Railroad. Each tie will be mapped out for the specific location on the Railroad for ease of locating.

Make a lasting mark and preserve railroad history in the process. Makes a great gift, and you can adopt more than one tie. Adopt one for each of your family and friends.

Below is an example of a new tie with the donor's name engraved in it.

Enclosed is my check payable to 'American Heritage Railroad' in support of the Adopt-a-Tie Program.
