Cell: 618-593-7742

The American Heritage Railroad is undertaking a two part capital campaign to purchase and install the first phase of the Railroad on the Museum grounds of the American Farm Heritage Museum in Greenville, IL. A major key to this project is the naming rights of each piece of rolling stock. Our goal is to raise the money for the purchase and restoration of the following equipment.

1. 1 - 16"-gauge Wagner-built Atlantic Steam Engine and tender

2. 1 - Miniature Train Company F-7 Outline Diesel G-16

3. 4 - Steam Engine Passenger cars

4. 2 - G-16 Passenger Cars

5. 1 - Hopper Car

6. 1 - Rear End Observation Car

7. 1 - Caboose

Make a lasting mark and preserve railroad history in the process by naming a piece of the equipment on the American Heritage Railroad. You have the opportunity to make a contribution that will live on and on. Each name (with the Railroad Officers approval) will be displayed on the side of the equipment for the life-time of the equipment on the American Heritage Railroad. Each naming right will be handed out on a first come first serve basis and the following donation amount listed below will be asked for each piece of equipment.

1. 1 - 16"- gauge Wagner-built Atlantic Steam Engine and tender - \$15,000
2. 1 - ~~Miniature Train Company F-7 Outline Diesel G-16~~ - \$10,000 - NAMED
3. 4 - Steam Engine Passenger cars - \$2,500/Car
4. 2 - G-16 Passenger Cars - \$2,500/Car
5. 1 - Hopper Car – Freshly Painted - \$1,500
6. 1 - ~~Rear End Observation Car~~ - \$3,000 - NAMED
7. 1 - Caboose – Freshly Painted - \$3,000

Since naming rights will be given out on a first come first serve basis, please call or e-mail the Railroad President to find out if your piece of equipment is available before sending in your tax deductible contribution.
